

International Lectures on Interdisciplinary research initiative of optical science for clarifying in-vivo signaling mechanism

2017年3月15日(水) 14:00~17:20

March 15 (Wed) 2017, 14:00~17:20

東京農工大学 小金井キャンパス 11号館5階 教室
Rm. L1153, Building #11 5th Floor, Koganei Campus
Tokyo University of Agriculture and Technology (TUAT)

14:00~14:05 Opening Remark

14:05~15:00 **Prof. Harm H. Kampinga**

Faculty of Medical Sciences, University of Groningen
“*Heat shock proteins and proteinopathies*”

15:00~15:15 Coffee break

15:15~16:10 **Dr. Steven Bergink**

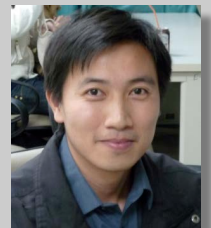

Faculty of Medical Sciences, University of Groningen
“*Proteotoxicity and genomic instability*”

16:10~16:25 Coffee break

16:25~17:20 **Prof. Chih-Wei Luo**

Department of Electrophysics, National Chiao Tung University
“*THz emission spectroscopy in emergent crystalline materials*”

17:30~

Reception

140th anniversary memorial hall “Ellipse” 3rd Floor,
Multipurpose Room
懇親会 140周年記念会館（エリプス）3階多目的ホール

使用言語:英語 The lectures will be held in English
